

**CORLEONE  
FORGED™**

# INTRO.

2020 Has Proven that Corleone Forged is the premier industry Leader in custom wheels for any and all applications ranging from highly modified lifted tracks down to exotics and classic cars. Designed and manufactured in Forth Worth Texas provides Corleone Forged the ability to capture the spirit of the deep south car movement while bringing together the eastern and western carscene.

No job is too big or too small as every design and wheel are tailor made to fit each car exactly to the client's specs. 2021 promises big advancements in revolutionary designs. Corleone Forged is coming in strong and is a name no one is soon to forget.
